

INVESTMENT PARTNER OPPORTUNITIES

Do you believe a skilled and educated workforce is essential to our region's economy? Then join UpliftED as we prepare the people of Central Florida for the careers of tomorrow. Two-thirds of all jobs created during this decade will require some post-secondary education. With your help, we'll make sure at least two-thirds of our workforce will be ready for these jobs.

Your partnership empowers our region to achieve a statewide goal:

Have 60% of our workforce earn a degree or high-quality credential
